

# Gatineau's Reel

*Traditional: arranged by Frank Ferrel*

I have heard three different versions of this tune. The earliest is from an old London LP of Jean Carignan (*Jean Carignan, le Violoneux*, MB 78), where he plays it in a medley he calls "Danse de la Victoire". I have also heard it played by Pete Dawson of Ontario on his album *Fiddlin' for Folk* (Lofty LP # 1002); and by Joe Panczewski who says he learned it "up in Canada!"

I would be interested in hearing from collectors of Canadian fiddle music who would like to exchange tapes or records. In particular, early London, Banff, or Rodeo LP's ca. 1955-1969, or any LP's or 78's of french Canadian fiddlers of that time, and early recordings of Joseph Allard, Joe Bouchard, Jean Carignan, George Wade & Cornhuskers. Also, I'm interested in obscure fiddle contests, or fiddlers from Cape Breton and Nova Scotia. Write me c/o the *Bulletin*.
