

## Our Members

This is a complete membership list as of November 23, 1979. It is sorted by provinces/territories, U.S. and other countries. Within each of these the names are presented alphabetically.

You will see from this list that our membership is pretty representative of our country. However we are constantly on the lookout for ideas on how we might improve this, and the size of our membership. If you have any ideas or suggestions, please write Tim Rogers, 1314 Shelbourne St. S.W., Calgary, Alberta, T3C 2K8.

If a \* is typed beside your name it means that you haven't paid your 1979 dues yet. Please send \$5.00 to Tim at your earliest convenience. Also let him know about any errors or omissions you might notice.

### Some Final Comments

When I looked over this list of individual members I discovered  
that I accidentally left out two names, and got one out of  
alphabetical order, Gaston Allaire is listed at the end  
of the New Brunswick section, instead of at the start.  
I omitted the following from the Ontario section:

Sandy Byer, 26A Bain Ave, Toronto

Barbara Shaw, 1 Jill Cr, St Catherines

I'm sorry this happened. I'm sure there are lots of other  
mistakes in this list - I've done my best to at least minimize  
them. Please write if I goofed on your entry.
