Folk Festival Directory

CFMS and the CBC are jointly producing a national folk festival directory that will list folk, bluegrass and ethnic music events from all across Canada. The Directory will be published in the CBC Radio Guide as well as the Canadian Folk Music Bulletin (April issue). In addition, copies will be made available through festivals and some CBC radio stations. If you know of a festival in your area please let us know about it so we can include it in the listing. We need to know: (1) festival name; (2) location; (3) dates; (4) approximate prices; (5) mailing address and phone; (6) who we can contact for further information; and (7) a brief description of the musical focus of the festival. Please send to CFMS at 1314 Shelbourne St. SW., Calgary, Alberta T3C 2K8.

The Great CFMS Logo Contest

You are invited to submit a design to serve as a logo for the Canadian Folk Music Society. We are planning to redesign our letterhead and mailing stock in addition to developing invoices and receipts to handle Society affairs. We hope to include an attractive logo on these designs. The logo should communicate a national orientation toward folk music in Canada in all its aspects.

A small cash award plus published credit for the design will be offered as a prize to the designer of the chosen logo. Idea sketches or final high contrast black and white copy will be accepted as entries. Please send your entries to CFMS at 1314 Shelbourne St. SW, Calgary, Alberta T3C 2K8.
