A Call for Information

CFMS would like to publish a directory of clubs and folk organizations which run events throughout the country. This would be an invaluable aid to performers and organizers in helping to co-ordinate their efforts. We are asking members to send a list of all such venues that they know about to:

Diane Myers  
40 Raglan Ave. #204  
Toronto, Ontario  
M6C 2L2

Please include:
- the name of the club or organization  
- the address  
- the contact person for information on hiring  
- the telephone number, if available  
- what kind of venue: how large, how often it meets, what kind of music it sponsors.

Remember, CFMS is a volunteer organization. It depends on all of our collective efforts in order to accomplish its goals. Please contribute.
