

President's Message

I am very pleased to represent the Canadian Society for Traditional Music and especially delighted that our next annual meeting will be held in Winnipeg, a vibrant city that is central geographically as well as culturally. I hope as many members as possible will attend this meeting so that we can share concerns and ideas as well as revitalize our society. There are many issues facing us, but I am convinced that our contribution to Canadian

and traditional musics provides a vital understanding of many aspects of cultural life. I hope I will be able to perform my duties as well as our former President, Judith Cohen.

Please feel free to e-mail or write me regarding important issues for our society. I look forward to seeing you in Winnipeg.
