The Music of Newfoundland performed by Wilf Doyle and his Orchestra

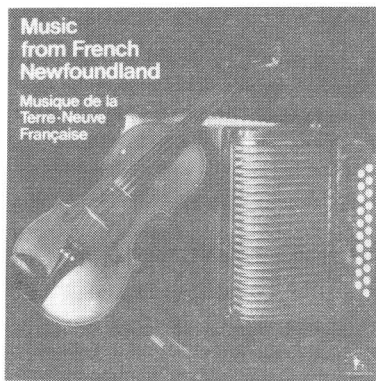

This is a classic recording of Newfoundland accordion music. It contains many of the classic dance tunes (e.g. Mussels in the Corner, Captain and his Whiskers) as well as instrumental versions of some of the better-known songs (e.g. Star of Logy Bay, I'se the B'y). There is a complete set of lancers included on this album.

Music from French Newfoundland

There is a relatively large French population in Newfoundland and it has evolved a distinctive instrumental style that is chronicled on this album. It features a variety of artists playing a great diversity of tunes.
